

NECASP Presents  
NEURODIVERGENT-AFFIRMING PRACTICES  
FOR SCHOOL PSYCHOLOGISTS  
with Amy Merenda, Ed.D., LEP

[CLICK HERE](#)

As an educator whose role is to provide those with exceptional needs additional support and services under special education eligibility, there is no one who should embrace a neurodiversity affirming lens more than a school psychologist! Our expertise, training, and responsibilities align directly with the mindset of accepting and embracing the uniqueness of each and every brain. You will leave this presentation with the background and understanding of how to apply a neurodiversity affirming lens throughout the entire assessment process. Participants are encouraged to utilize an open mindset and self-reflection throughout this presentation to ensure respect, value, and opportunity are given to uplift neurodivergent voices and perspectives.
